

Journey “under the sea” with Ariel and her aquatic friends in Disney’s THE LITTLE MERMAID JR., adapted from Disney’s 2008 Broadway production. In a magical underwater kingdom, the beautiful young mermaid Ariel longs to leave her ocean home – and her fins – behind and live in the world above. But first she'll have to defy her father King Triton, make a deal with the evil sea witch Ursula, and convince the handsome Prince Eric that she’s the girl whose enchanting voice he’s been seeking. This show features the hit songs "Part of Your World," "She’s in Love," and the Oscar-winning "Under the Sea."
